

Words from Our President
Frank P. Gallagher, III, P.E., CIH

Hello, let me introduce myself. I am Frank Gallagher your Chapter President for 2009-2010. I am an Environmental Engineer and an Industrial Hygienist with the URS Metairie office. Please join me and the other members of the New Orleans LES Chapter in both a professional and fun program during the upcoming nine months. Our 2009 - 2010 planning retreat was held on 15 August at Lake Hermitage; and we are looking forward to well planned meetings and exciting programs. Meetings will be during evenings usually on the third Wednesday of each month from September through May (exceptions include 17 December and 18 February). Meeting topics will vary, addressing marketing, economic issues such as restructuring at the NASA facilities, storm protection, Chinese dry wall issues, financial planning, a manufacturing tour and **of course ethics. The holiday dinner meeting will be at Impastato's Restaurant.** Craig Dooley, our State Board representative, has secured Manny Zulueta, VP & SE at Lockheed Martin Space Systems, as our speaker. Our meetings will typically be in a restaurant or a conference room setting at a local office.

We will be hosting a golf tournament at Ormond Country Club on 9 October 2009. Charlie Ford or Travis St. Pierre can be contacted for details if you did not receive a flyer. Becky Johnson, and a yet to be formed committee, will be hosting the local Math Counts competition on February 6, 2010. We are assisting NSPE in January with a post Katrina tour. Finally, we look to support our student chapter at UNO with opportunities to find local employment. Our state organization has many important upcoming events. Two of which are the Joint Engineering Societies Conference from 28 to 30 January 2010 in Lafayette and the Annual Tri State meeting in Point Clear Alabama from 6 to 9 June 2010.

Come out and join us for our kick off meeting on 16 September and I will tell you a lot more.
